

Harlaxton C of E Primary School Wraparound Care

What are we here for?

The main purpose of the Wrap around care is to ensure parents can leave their children in a safe place at the start and / or the end of the normal school day.

What is offered

We are based in the Room of Requirement where a range of suitable activities are available and children are offered either breakfast, a fruit and a drink or a healthy snack and drink depending on the booking.

Occasionally, on rainy days, a 'U' rated films will be shown at after school club. We also ask your permission to show carefully selected 'PG' rated films. Please note on the acceptance form if you do not wish your child to watch PG rated films.

How it works

We operate on a flexible basis. Once registered, you can use the facility to suit your needs. Bookings are made via Parentmail. Payment is made at the time of booking unless parents/carers are using childcare vouchers. In this event, please let us know via the school breakfast club; breakfastclub@harlaxton.lincs.sch.uk and / or afterschool club email address; afterschoolclub@harlaxton.lincs.sch.uk so that your child can be set up on the correct register. The voucher provider will need specific information from us too which we can provide at the same time.

The breakfast club booking system closes 48 hours in advance and after school club 24 hours in advance. For any emergency bookings once the system has closed, please contact the office on 01476 561077 and your child will be added to the required list.

If your child is to go home with anyone other than people you have authorised when registering your child, you **must** let us know who they will be going home with. This includes, for instance, if your child is to go home with another child from After School Club.
