Message from Mrs Edwards

Dear Parents / Carers,

Despite being a short term, the children have enjoyed plentiful learning and many fun-filled experiences.

A huge well done to all the year six pupils during SATs week. They worked very hard indeed, and staff are incredibly proud of them all!

There will be no change to clubs this term apart from Running Club will not continue and STEM Club will change to attendees from years 5 & 6. All the other existing registers will

continue into the new term. If you wish to add or remove your child from the register, please email the school office-please note, all clubs apart from STEM Club are full.

As usual, **Just a polite reminder to order your School Lunches for next term, the cut-off date for orders for the first week back will be: Tuesday 26th May at 9:00am. Term 6 School Lunch [menu](#) has been added to the website for your reference.**

We have lots of exciting events to look forward to next term including visits, Sports Day, Roots To Food and the Leavers' Service- See below 'Dates for your diary'.

Enjoy your half term break and we look forward to seeing all the children when we return on Monday 1st June.

Mrs. Edwards

Executive Head Teacher

E- Safety News

For Parents - How to Talk to Children if they see Traumatic Events

Many children will have seen or heard some of the horrific events that have been happening recently. Whether that's on the news, someone discussing it, or perhaps online, children can be traumatised by what they are seeing and hearing.

This article from The Conversation discusses the issue and gives some really good advice.

Keeping Safe Survey 2026

Message from the HAF Team at Lincolnshire County Council:

The survey gives children and young people the opportunity to share their experiences of being online – including the apps they use, online harms they may encounter, and what support they find helpful.

Responses are **anonymous** and will be used to:

- Improve **online safety education and resources**
- Inform **local partnership work and support**
- Help professionals and parents better understand young people's online experiences

The survey is **age-appropriate**, quick to complete, and can be shared during sessions, groups, or one-to-one work.

Sporting Events

This term the children have enjoyed taking part in a KS1 Cricket Festival at Grantham cricket club. It was a great opportunity for the children to develop their cricket and ball skills and learn more about the sport.

Also, a range of Year 3,4, 5 &6 children competed in a boy's race and a girl's race with around 10 other schools. All children who took part made their way around the course in hot temperatures! They all conducted themselves brilliantly and demonstrated great determination.
